

129th Scottish National Trout Fly Fishing Championship 2022

Sponsored by Ridgeline UK
7plus7 Construction and R & E Hygiene

The 2022 Scottish National Championship started out on 19th April at the Lake of Menteith and was contested by 273 anglers who fought their way through the ten heats and six semi-finals at Menteith, Black Loch, Frandy, Harelaw, Harray, Leven, Lintrathen and Watten. The contestants put up with cloudless skies, flat calms, driving rain and strong winds during the 2022 championship. Sixty two anglers qualified through the heats and semis to contest the final at the Lake of Menteith on 17th September where they caught a total of 413 trout.

Once again Stewart Marshall played his pipes as the anglers took to the water and we wish to thank him for the many years that he has played at the National final and marched in front of the teams at our international matches.

We also wish to thank our sponsors Ridgeline UK, 7plus7 Constructon and R&E Hygiene who have supported us for many years; the staff at all of the venues; the committees of Dounreay FFA and OTFA who managed the heats at Watten and Harray and the thirty one boatmen who gave up their time to assist at the final. Ridgeline provided their Hybrid Fleeces for the top rod in each of the semi-finals and in the final they provided a Ridgeline Sovereign Coat for the National Champion; a Monsoon jacket for the runner-up and an Accent Soft Shell jacket to the captor of the heaviest fish. 7plus7 Construction sponsored the hook/fly measures that are used throughout the championship and R&E Hygiene sponsored the waterproof paper that is used to record the anglers catches.

The top rod and 2022 Scottish National Champion is Tyler Hay of Lintrathen FF. Tyler caught 18 trout for 38lb 13.2oz which was five clear of the rest of the field.
