International team members Grant Osler and Tyler Hay organised and ran the International Loch Teams Fundraiser Cup at Eden Springs Fishery on Sunday 5th March 23. Twenty one anglers took part and between them they landed 107 fish. The weather was kind for most of the day but the forecast rain arrived mid afternoon and brought with it a fair drop in temperature. Grant and Tyler wish to thank everyone who helped out on the day particularly Chris and Sandy for allowing the use of the fishery and providing a lunch for the anglers. They also wish to thank all the anglers who took part and everyone who bought raffle tickets and supplied prizes. Prizes were provided by Angus Angling, Fishers, Fario Flies, FNF Fly Fishing, Ballo Fly Fishing, Frank's Flies and Glencorse Reservoir.

Top rod on the day was Robert Gibson with 14 fish. Jake Gilchrist also had 14 fish and finished second and in third was Connor Wales with 13 fish. Pulling lures and worms on a fast glass or Di 3 were the top methods on the day.

High Cleughearn Fishery Fundraiser 25th February 2023

International team members Jim Mckinlay and Martin McCafferty organised the loch teams fundraiser at High Cleughearn Fishery on Saturday 25th February and wish to thank Chris and Joyce for allowing the use of the fishery and for providing hot soup and pies at lunchtime which were greatly appreciated by the anglers.

Jim and Martin also wish to thank everyone who donated prizes and bottles and particularly wish to thank Fishers and Angus Angling who supplied the main match prizes; the Meatmarket - Shandwick (<https://www.facebook.com/meatmarketshandwick>) for donating the lunchtime pies and a meat hamper for the auction; Michael Low at Fario Fly who donated fly boxes, flies and hooks for the auction; FNF FlyFishing who

donated bags of fritz for the auction; and Mark Fleming who sponsored two pegs. And thanks also go to all of the anglers who turned out and fished the competition and bought raffle tickets.

It was freezing cold all day and fished hard. Lots of fish were caught on the first two pegs of the session but things really slowed down after a cold North Easterly wind got up and made things a slog for the rest of the day. Mark Hopkins won with 9 fish well ahead of the rest of the field. Colin Macdonald was second with 5 fish and Alan Harvie, who also had 5 fish, was third.

Parkview Fishery Fundraiser 11th February, 2023

You know that winter is coming to an end and that the new season is just round the corner when Wullie Simpson hosts the fundraiser in aid of the loch teams at Parkview Fishery. Even the trout were anticipating the opportunity to meet the 18 anglers and right from the start they were racing to be the first one caught. The first of them connected with Lenny McKenna to be recorded as the first fish of the day. In total 114 were caught during the course of the day.

The session started off with a very light breeze which encouraged the trout to make the most of the calm conditions. The wind gradually increased as the day went on and had a cold edge to it that made the fishing harder. However that didn't stop competitors building bags of 15, 13, 11, 8, 8, and 8.

Top rod was Brian Mackenzie with 15 fish. Brian also won in 2022 and was 5th in 2019.

The International teams wish to thank Wullie for organising the fundraiser and Jim and Edna for providing superb catering and providing an excellent days fishing at Parkview. The teams also wish to thank the many people who provided prizes and sponsored pegs and of the course the competitors, many of whom turn out at this fundraiser year after year. Prizes were provided by Fishers, Angus Angling, Fario Flies, FNF Fly Fishing, Greig Davie and Davy Moore while pegs were sponsored by Ormiston Transport Training, Ormiston Law Practice, Derek Goodwon Pest Control, DSD Ames Tapers and Decorating, C W Technical Services, French Vehicle Services, Recovery & Breakdown Kinglassie, Eden Springs Fishery, Bespoke Embroidery Errol, MF Roofing & Roughcasting, Joseph Wood, Parkview Fishery, Smith Street Motors, Craig Scott Windows, Bonnington Joinery, Robert Brown Painter, Fife Council Fostering and Fife Caravan Services.

In second place with 13 trout and captor of the first fish was Lenny McKenna and third with 11 fish was Neill Barrett. Ronnie Gilbert was fourth with 8 fish and Wullie Leach was fifth also with 8 fish.

In sixth place with 8 fish was Colin Sharp. The heaviest fish of the day was caught by the 2020 winner Allan McLachlan and was over 11lbs.
