Thereafter reducing until the 18th team receives a cheque or the booby prize.

In order to continue the success of the Scottish Club Championships and still give clubs in the heats value for money I have kept the entry at £63 per three man team which is £21 per competitor. The fee for each club team in the Semi-finals has been kept at £73 and likewise the entry fee for each club team in the Final will also be £73.

In the event of over subscription to the competition, clubs with 2nd teams entered may be balloted.

Breaches of the rules mean the individual may effectively have disqualified himself/herself as well as his/her team. IN ADDITION that person is precluded from any other SANACC competition for the remainder of the season, together with any other sanction the SANACC Committee may impose. It is up to every club to ensure their club members competing in the competition are aware of the necessity to adhere to the rules. A full briefing will be given prior to every heat.

Running in parallel with this competition will be the Scottish Clubs Champion of Champions 2016. The top five individual rods in each heat qualify for this contest, and the Final of the competition will be held at the Lake of Menteith on Friday, 7th October.

As per last season all competitors qualifying for the final of the "Champion of Champions" will require to pay fishing fees which will be £47 . This includes the presentation meal.

Full details of the competition will continue in the "Silver Wilkie" sports column in the Daily Record. This will continue to show teams in forthcoming heats and the heat results. The result of each heat and entries will also be shown on the SANACC website at www.sanacc.org.uk.

It is expected that all competitors will be competent boat handlers. When registering on the evening of your heat your team captain must notify the Scottish Club Representative if any of your team are not competent boat handlers.
