Final - 23rd September - Lake of Menteith

Friday 23rd September saw the final of the Scottish Club Championship at the Lake of Menteith which for the first time was fished over the 9m to 5pm session. 102 teams took part in the championship which started with the first of the ten Saturday evening heats on 14th May. Forty teams went on to the two semi-finals in August with 20 teams going through from there to the final.

The final session started on a near flat calm with a chilly light breeze and clear skies that raised a very light ripple in some areas. The breeze picked up as the day progressed and good cloud cover came and went throughout the session. Conditions weren't easy but by the end of the day the sixty competitors had caught 282 trout for 643 lbs 3.3ozs. The match was catch and release after the first two fish with an allowance of 2lb for each released fish. Heavy fish were capped at 4lb and 15 trout over 4lb were taken to the scales.

The Scottish Club Championship Committee wish to thank the sponsors Lake of Menteith, Snowbee, My Fishing Flies, Hope Embroidery, Life Technologies and Angus Angling for their support of the Championship.

Top club on the day was RAF Fish Hawks "B" represented by Allan Gamble (8 fish), Simon Gaines (8 fish) and David Eames (7 fish) with a total of 23 trout for 51lb 15.5 oz.
